Mr. Anthony V. Nanni, Chief, Litigation I Section, Antitrust Division,

U.S. Department of Justice, Suite 4000, 1401 H Street NW., Washington, DC 20530.

Dear Mr. Nanni: I wish to comment on the consent decree concerning the merger of Scott Paper Co. with Kimberly-Clark. The Justice Department has included in the terms of the consent decree that two (2) of four (4) tissue mills be divested. Included in that list is half of the former Scott Paper Co. mill in Marinette, WI.

This facility employs 525 union employees affiliated with the United Paperworkers International Union. If this mill is divested from Kimberly-Clark approximately 300 union employees will go with one company and 225 will remain with Kimberly-Clark. Kimberly-Clark is honoring the union contract negotiated with Scott Paper Co., while there is no guarantee that the company buying the tissue part of the mill will honor that same contract. This could result in the union employees in the Kimberly-Clark half of the mill working for better wages and
